

The Cemaes-in-Bloom Christmas Quiz raised £130 for the group. Hope you all enjoyed it. The winner this year is Carys Carroll from The Vigour. Well done.

The Ceames-in-Bloom group are pleased to say that they have been granted full planning permission to place a polytunnel behind and shipping container alongside the existing shredding compound in the woodland area. The container will house the shredder and grass cutter and all the gardening paraphernalia. The polytunnel will help in over wintering plants and growing on summer bedding. The ground has to be cleared first of several trees so if anyone would like a tree please leave their names and telephone number at the Menter Y Pentre Cemaes Village Venture but the trees will be planted else where in the village if there are no takers. Four allotments will also be available so if anyone is interested in having one again please leave their names and telephone number at the Menter Y Pentre Cemaes Village Venture. In the event of there being a lot of interest then names will be drawn out of a hat. All this has come about with help and advise from the Llanbadrig Community Council, Cwmni Cemaes Cyf, the local people with their generosity via the village shop, a grant from Keep Wales Tidy and Awards for All Wales

Cemaes will enter the Wales-in-Bloom village competition this year so if anyone is interested in helping keeping an area free of litter and weeds or just generally helping to look after flower pots and borders again please leave their names and telephone number at The Menter Y Pentre Cemaes Village Venture. If anyone has ideas or areas that they feel need attention please let us know.

We look forward to a warm and colourful summer.

Some dates for your diary.

The annual plant sale will take place in the village hall on Saturday 1st May 2010.

The annual gardening competition will take place around the village on Thursday 8th July with the prize presentation to be held in the village hall on Saturday 10th July. We will announce what the children's competition will be at a later date, also who the judges will be

Have a think about an Open Garden Day on Sunday 1st August to show off your wonderful gardens.
